

Art-Nr.: 48.52.7.012.0050

48.52.7 Finder Koppelrelais 12 V AgNi

Sizes:

Technical Data:

coil voltage:	12 V
contact material:	AgNi

General technical Data:

Number of changeover contacts:	2
protection rating:	Housing IP 20
ambient temperature:	-40 - +70 °C
version:	Standard
coil excitation:	sensitive
mounting:	screw terminals
contact type:	changeover contact
Type number:	48.52
housing width:	15,8 mm
Continuous current (max.):	8 A
Options:	integrated LED
Options:	reverse polarity protection diode
Options:	Freewheeling diode (+ to A1)
switching voltage (max.):	250 VAC
