industrial components

48.81.8 Finder Koppelrelais

Sizes:

Technical Data:

General technical Data:

Number of changeover contacts:	1
protection rating:	Housing IP 20
contact material:	AgNi
ambient temperature:	-40 - +70 °C
version:	Standard
coil excitation:	AC (50/60 Hz)
mounting:	spring clamp terminals
contact type:	changeover contact
coil voltage:	230 V
Type number:	48.81
housing width:	15,8 mm
Options:	integrated LED
Options:	Varistor
switching voltage (max.):	250 VAC
Continuous current (max.):	16 A
