industrial components

49.31.7 Finder Koppelrelais 12 V AgNi

Sizes:

Technical Data:

coil voltage:	12 V
contact material:	AgNi

General technical Data:

Number of changeover contacts:	1
protection rating:	Housing IP 20
ambient temperature:	-40 - +70 °C
version:	Standard
mounting:	screw terminals
contact type:	changeover contact
Type number:	49.31
Continuous current (max.):	10 A
Options:	integrated LED
Options:	Freewheeling diode (+ to A1)
housing width:	15,5 mm
coil excitation:	(500 mW)
