industrial components

49.82.9 Finder Koppelrelais Standard

Sizes:

Technical Data:

version:

Standard

General technical Data:

Number of changeover contacts:	2
coil voltage:	24 V
contact material:	AgNi
ambient temperature:	-40 - +70 °C
coil excitation:	sensitive
mounting:	spring clamp terminals
contact type:	changeover contact
Type number:	49.81
coil excitation:	DC
housing width:	15,8 mm
Continuous current (max.):	10 A
Options:	integrated LED
Options:	Freewheeling diode (+ to A1)
coil excitation:	(500 mW)
