industrial components

Amperemeter für Hutschiene **Transformer Measurement 1 A** **please define scale**

Sizes:

Dimension (BxHxT mm): 45 x 85 x 59

Technical Data:

connection:	Transformer Measurement
measuring input:	1 A
measuring range:	please define scale

General technical Data:

frequency:	50 Hz
mounting:	Mounting rail DIN 46277 or EN 50022
Type number:	45H
Dimension (BxHxT mm):	45 x 85 x 59
overload capacity:	1,2 times continuous
Type-Name:	EQN
